

Hyundai BAYON (BC3 CUV) – 185/65 R15

Informatii despre produs Regulamentul (UE) 2020/740

Furnizor sau producator	MICHELIN
Denumirea comerciala sau marca comerciala	PRIMACY 4 E
Identificatorul tipului de pneu	279492
Dimensiune	185/65 R15
Indicele capacitatii de incarcare	88
Simbolul categoriei de viteza	H
Clasa de eficienta a consumului de combustibil	A
Clasa de aderenta pe teren umed	B
Clasa zgomotului exterior de rulare	B
Valoarea zgomotului exterior de rulare	68 dB
Anvelopa pentru zapada abundenta	Nu
Anvelopa pentru aderenta pe gheata	Nu
Data de incepere a productiei	09/18
Data de incheiere a productiei	-
Versiunea de incarcare	SL
Informatii aditionale	185/65 R15 88H TL PRIMACY 4 E MI

The ENERGY label for the Michelin Primacy 4 E tire (185/65R15 88 H) is displayed. It features the European Union flag and the word 'ENERGY' with a lightning bolt icon. A QR code is located in the top right corner. The label includes the Michelin logo and the product code 279492. The tire size 185/65R15 88 H and the category C1 are shown. The label is divided into two sections: fuel consumption and wet grip. The fuel consumption section shows a tire icon with a gas pump icon and a scale from A (green) to E (red), with the tire's rating 'A' highlighted in a black box. The wet grip section shows a tire icon with a rain cloud icon and a scale from A (blue) to E (light blue), with the tire's rating 'B' highlighted in a black box. At the bottom, a speaker icon indicates the exterior noise level of 68 dB, with a scale from A (green) to C (yellow) shown below it. The text '2020/740' is printed vertically on the right side of the label.
