The image shows the ENERGY label for a Michelin Pilot Sport EV A GOE tire. At the top left is the European Union flag. To its right is the word "ENERGY" in large blue letters with a lightning bolt symbol. A QR code is located at the top right. Below the flag and text, the Michelin logo and the number "924612" are displayed. The tire specifications "255/45R20 105 W" and the speed category "C1" are listed. The label features two sets of performance scales: one for fuel consumption (left) and one for wet grip (right). The fuel consumption scale has categories A (green), B (light green), C (yellow), D (orange), and E (red). The wet grip scale has categories A (blue), B (dark blue), C (light blue), D (medium blue), and E (lightest blue). A black hexagon with the letter "B" is placed between the two scales. At the bottom, there is a noise level indicator showing a speaker icon with "72 dB" and "ABC" below it. A small vertical text "2020/740" is on the far right.
